WASHINGTON, March 23 (UPI) — Secretary of State Dean Rusk warned congress today that President Johnson's 3.4 billion dollar foreign aid bill was close to the "margins of safety." He said it might become necessary for the administration to ask for more money later. As a result, Rusk urged the economy-minded lawmakers to approve the full amount sought without any major cuts. The figure was the lowest aid request in history. Rusk said the administration would try to get along on the 3.4 billion dollars but "if we need more, we'll come back to you."

KKK Plans All-White Communities

ATLANTA, March 23 (UPI) — The imperial wizard of the Ku Klux Klan said today Klansmen are studying the possibility of setting up private Caucasian communities organized beyond the intervention of federal integration orders.

The wizard is Robert Shelton, Tuscaloosa, Ala. He was in Atlanta for a Klan rally yesterday in a public park.

"Our legal department is researching the possibility of setting up private communities on a limited partnership basis," Shelton said.

"We think there is a good possibility that something can be worked out along these lines," he said, "with each family being considered a member in a partnership."

"I don't see how the federal government would have any control over such an arrangement," Shelton said. "No such communities have actually reached the planning stage and it would be at least next year before any final plan could be approved."

Man Chews His Way Out From Hay Trap

RICHFIELD, March 23 — Jack Tewes, 34, chewed his way out of a trap under bales of hay that tumbled on him at an isolated ranch Saturday, then crawled 200 yards to a cabin to summon help. Tewes was reported in good condition at Sun Valley hospital today after undergoing surgery. He has a broken left leg, dislocated knee cap and torn muscles and ligaments. Some 60 or 60 bales of hay tumbled onto Tewes at the Rock Creek ranch some 25 miles west of Richfield where he has been feeding cattle this winter. If he hadn't been able to free himself, Tewes wouldn't have been missed until Sunday because he frequently has stayed overnight at the isolated ranch.

Walker Says He Wins First Round

State Democratic Chairman Lloyd Walker, Twin Falls, says he is the winner of the first round of his dispute with the governor concerning his appointment to the state water study committee.

Walker declined to serve on the 31-member committee, appointed by Gov. Robert E. Smylie to study plans to develop and produce power from the state's available water streams.

He told Smylie he declined to serve "because I do not believe it would be wise for party leaders to actually serve on the staffing committee."

Walker said his victory in the dispute came when Smylie told him that he was not on the committee.

Walker said that persons with objections about the operations of the committee write to either Walker or himself.

Smylie said it would be unwise to have the suggestions go to a political party leader because this is a nonpartisan matter.

"That's just the point. I was trying to make by refusing to serve on the commission," Walker said. "My position was that because of my partisanship, I couldn't be on the committee."

"I now think the governor accepts my position completely."

Pocatello Youth Wins in Legion Oratory Contest

BOISE, March 23 (AP) — Don Burnett, Pocatello, today won the Idaho American Legion oratorical contest, beating out three other finalists.

Burnett won a \$100 scholarship and a place in the regional contest at Helena April 6. Winners there advance to sectional competition at Las Vegas. The national contest will be at Miami, Fla.

Second was Roland Byr, Nampa. Mike Milodragovich, Grangeville, and Jane Slaughter, Kimberly, tied for third.

No Machine Measures 36-24-36

CARSON CITY, Nev., March 23 (UPI) — An official who supervises gambling for the state of Nevada has observed it's the fringe benefits that make female blackjack dealers preferable to newly invented mechanical ones.

Edward A. Olsen, chairman of the gaming control board, said the mechanical dealer, which looks like a fancy pinball machine, will not replace the dealers in the state's casinos.

"The machines don't measure 36-24-36 and are not much on conversation," he pointed out.

Finn Asked To Mediate In Cyprus

GENEVA, March 23 (UPI) — U. N. Secretary General Thant today asked Finnish Diplomat Sakari Tuomioja to become U. N. political mediator on Cyprus.

Authoritative sources said Tuomioja, the 52-year-old Finnish ambassador to Sweden, accepted the job, pending approval from the British, Turkish and Greek governments.

The sources said Thant will begin soon to win that approval. Thant and Tuomioja met for 90 minutes today at U. N. European headquarters here. After the meeting Thant confirmed that "we discussed the question of naming a mediator."

At the same time, however, the secretary acknowledged that America's "prosperous allies must do more." He said the recipient nations also must do their share through self-help and investment in their own economies.

Probe Into Baker's Role Is Continued

United Press International WASHINGTON, March 23 (UPI) — Republican investigators scored a key victory today in their fight to extend the Bobby Baker inquiry.

By unanimous vote, the senate rules committee adopted a motion to consider individually a list of witnesses suggested by GOP members.

Immediately after the adoption of the motion, the members of the committee started discussions on whether to call the witnesses listed by the Republicans. The list included White House Aide Walter Jenkins and about 15 others.

The motion by Sen. John Sherman Cooper, R., Ky., was pending from a previous session of the committee. Its adoption was the first signal that the Democrats — who outnumber the Republicans 63-3 — were willing at least to discuss the suggested witnesses.

The committee met in executive session to consider the list of witnesses. The committee was given special permission to meet this week although the senate was going into session early to continue with the civil rights debate.

Tewes was pinned under bales of hay and could see only a glimmer of daylight. In addition to an arm and leg being pinned, his head was twisted into an awkward position. He managed to chew through the twine on one bale of hay, easing the pressure on himself.

Both legs were useless, but Tewes hauled himself about 200 yards through heavy snow. The trip to his cabin took more than two hours. He used a stick to knock the receiver off the telephone on the wall and used the stick to dial the operator. She notified relatives in Dietrich. Tewes wrapped blankets around himself while awaiting rescue.

Later, Tewes' hat was found under hay piled seven bales deep.

Inquest Is Pending in Burley Death

BURLEY, March 23 — An inquest into the death of Jesse Pratt Hymas, 52, who died of gunshot wound Saturday at the Burley Radio and TV service, which he owned and operated, is pending, reports Dr. Leslie L. Fillmore, Cassia county coroner.

Hymas was found by an unidentified boy who entered the shop and notified the Burley police. A hunting rifle was found near the body.

He was born July 26, 1911, at Albion and lived in Burley until 1945, when he moved to Heyburn. He married LeMona Bills Sept. 1, 1936, in the Salt Lake LDS temple. He was a member of the LDS church. He was a high priest at the time of his death. He served a two-year mission for the church in Mexico and Texas. He was president of the Minidoka stake mission from 1956 to 1958. He had been a missionary to the Spanish people in the Minidoka stake and was president of the Spanish branch of the Burley stake.

Survivors include his widow, Heyburn, one son, Corlas Hymas, Dayton, Ore., three daughters, Mrs. Robert (Carmie) Orr, Golden Grove, Calif.; Mrs. Douglas (Julie) Thompson, Arkana, Ala.; and Selma Hymas, Heyburn; one brother, Vern Hymas, Burley; one sister, Mrs. Clarence Thompson, Tigard, Ore.; and six grandchildren.

Funeral services will be conducted at 1 p.m. Wednesday in the Burley stake LDS tabernacle with President Oscar Robertson officiating. Concluding rites will be held at the Pleasant View cemetery. Friends may call at the McCulloch funeral home Tuesday afternoon and evening and Wednesday until time of service.

COHN TRIAL BEGINS NEW YORK, March 23 (UPI) — A federal judge today began accepting or rejecting excuses from a panel of 300 potential jurors in the perjury trial of Roy M. Cohn, senate subcommittee counsel in the army-McCarthy hearings a decade ago.

The trial began today in federal court here. Cohn, 52, is charged with perjury in testimony given in 1954 before the Senate subcommittee on the activities of the army-McCarthy hearings.

The trial is the first in a series of hearings on the activities of the army-McCarthy hearings. The trial is the first in a series of hearings on the activities of the army-McCarthy hearings.

Dollar Run

WASHINGTON, March 23 (UPI) — The great silver dollar run on the U.S. treasury threatened to become a stampede today.

Hundreds of persons lined up outside the iconic-columned building in hopes of buying some of the treasury's fast-dwindling supply of cartwheels. Some spent the night on the granite front steps as if waiting to get into the world series.

Coffee cups littered the stones by the statue of Albert Gallatin, fourth secretary of the treasury.

The run on silver dollars began March 11 when a newly opened vault was found to contain the relatively scarce "Morgan" type—named after its designer, and minted between 1878 and 1904. At that time the treasury had about 18 million silver dollars left.

Since then, the public has bought about four million, and the federal reserve banks have taken or ordered more than eight million, officials said.

He said he is making a political and economic as well as a military attack on the Viet Cong, and to speed efficient local civil reforms he is giving young army officers special civilian administration training and will use them at the village level.

Concerning the government bombing of villages, which has killed civilian adults and children and disturbed many Americans, he said:

"A difficult problem, sometimes there is no alternative. We can't tell Viet Cong from innocent peasants. No machine can tell us. Sometimes the peasants leave before we bomb but there is no easy solution."

Khanh said that if Ambassador Henry Cabot Lodge returns to the United States, the Vietnamese people would view this as a great loss.

The dust turned skies brown in most of New Mexico. Several scheduled airline flights were delayed at Albuquerque.

He did so in commenting on a letter sent to the federal trade commission recently by Dr. F. J. L. Blasingame, executive vice president of the AMA.

In the letter, Dr. Blasingame said that congress, not the FTC, should decide on any limitations on cigarette advertising, and that—warning labels—advocated by the FTC—would not do much good because people already are aware of the alleged hazards of smoking.

"Doctors should take the lead," said Dr. Ochser. "This is a health problem."

Sen. Richard B. Russell, D., Ga., floor general for the 19 Southern fighting the measure, made no objection this week-end when the assistant Democratic leader, Hubert H. Humphrey, Minn., floor manager for the legislation, asked unanimous consent to bring the senate in session until 10 p. m. each night.

ENGELKING IS HOSPITAL BOISE, March 23 (UPI) — Public Instruction Sup't. D. F. Engelking was scheduled for surgery today for a gallstone removal, his family said. Engelking was admitted to St. Luke's hospital last night.

Students began pouring into Daytona Beach Sunday for Easter fun away from home.

An estimated 20,000 to 50,000 vacationers were in motels and hotels between Daytona Beach and Port Lauderdale, 200 miles to the south.

Ninety-five were arrested in Daytona Beach Sunday for offenses ranging from drunkenness to littering the beach with beer cans. This brought to about 300 the number arrested in four days. Several dozen were picked up in Port Lauderdale for "mostly minor offenses."

Generally, police agreed there was little trouble. But the major onslaught of arriving students was yet to be felt.

Salt Lake City Hit By Late Snowstorm

SALT LAKE CITY, Utah, March 23 (AP) — A wet spring snowstorm sloshed its way east today after dumping a foot of snow on Salt Lake City, hampering motorists and endangering livestock herds throughout the Rocky Mountain states. Moisture also struck a damaging blow at the Los Angeles area. A steady downpour Sunday night washed glaciers of mud down hill-sides swept by brush fires a week ago. The Rocky Mountain storm left snow in uneven amounts. Salt Lake City received the greatest amount of moisture from any one storm since July, 1962, but only three inches of snow fell 20 miles south at Provo. Billings got seven inches within 12 hours.

Stockmen's warnings were issued for Wyoming, Montana and the Dakotas as the storm moved east, but the weather bureau said it was losing its punch as it neared the plains, bringing only clouds and light precipitation.

The Los Angeles mudslides brought crews from the Glendale, Burbank and Los Angeles fire departments to the hardest hit areas. Mud caved in garage doors, moved parked cars and covered sidewalks.

In New Mexico and the Texas Panhandle, the problem wasn't mud but dust, whipped up by 50-mile-an-hour winds on the southern fringes of the mountain storm. Presidio, Tex., reported severe dust storms and a high of 92 degrees Sunday, making it the hottest spot in the nation.

The dust turned skies brown in most of New Mexico. Several scheduled airline flights were delayed at Albuquerque.

Union Asked To Aid War On Poverty

ATLANTIC CITY, N. J., March 23 (AP) — President Johnson appealed to the United Auto Workers Union today to help him wage "a warm-hearted war" on the home front for the welfare of the American people. "Our times have been dominated by a cold war, but now our times require that here at home we pursue a warm-hearted war, a war of compassion for the well-being of all our people here at home," Johnson said. Johnson spoke in Atlantic City's convention hall—the auditorium where the Democratic national convention will be held late in August.

His reference to the warm-hearted war got a big hand from the 3,000 convention delegates and 9,000 guests.

They stood up and gave the President a shrieking, whistling salute with an auto horn accompaniment when he spoke of the war on poverty his administration is pressing. He appealed to the union to "give me your heart, your voice, your vote, and stand up with me and be counted."

At one point, Johnson also urged a peaceful, responsible settlement of UAW contract negotiations with the auto industry. He said they should not result in high unemployment.

Even on those points the President sparked applause. The chief executive assured the union that his administration will not attempt to fix either prices or wages, and that there will be no intervention in every local labor dispute.

One of the loudest outbursts came when he assured the convention that "we are going to pass the civil rights bill if it takes all summer."

The convention has adopted a resolution backing the bill. The President was not making a political speech labeled as such. But the talk had political overtones.

His party and he, himself, are counting on heavy labor backing. Johnson lauded the UAW as "a clean, honest and progressive union led by President Reuther and his fellow officials, all elected democratically by your votes."

He said that whatever the challenges or the complexities or the crises confronting the nation, it never stands straighter or stronger in the world than does the individual at home. He said that militarily this nation is strong and no country is stronger.

This led Johnson to the point of declaring that now the times at home require "a warm party war for the well-being of the people at home."

There was another when Johnson assured the UAW that "we are going to pass the medical assistance bill for the aged and do so no matter how many months it takes."

The convention will map out goals for this year's contract bargaining. The President's council of economic advisers had laid down so-called guidelines that wage increases should be geared to a 3.3 per cent annual productivity gain in industry as a whole, with a price cutback being made by industries with prices outstripping productivity increases.

But UAW President Walter P. Reuther told a news conference last Wednesday that the annual productivity gain in the auto industry is 4.9 per cent, instead of 3.2, and that the higher figure would be "a minimum economic goal" for his union this year.

Reuther called profits of General Motors, Ford and Chrysler factories "a good deal of money" and said that the UAW contracts with the big three of the industry expire Aug. 31.

KEY WEST, Fla., March 23 (AP) — The United States has returned to Havana the body of a Cuban air force helicopter pilot slain by two defectors when he refused to fly them to Florida. A radio aboard the U.S. government plane was Cuban cadet Sergio Roque, 17, crewman aboard the hijacked helicopter that landed here Friday. He survived the gun battle over the Florida straits.

Two immigration officials were aboard the federal aviation plane that left Sunday night for Havana.

The Fidel Castro government had demanded return of Roque, the pilot's body, the two anti-Castroes who sought U.S. asylum, and the helicopter.

The state department said extradition of the two defectors must await court action.

The helicopter remained in navy custody here.

Investigation was reported under way on how the helicopter reached Key West without being detected by a new \$4-million dollar navy radar installation.

Wind, Snowfall Reported in Magic Valley

Light snow and cold winds were reported in most parts of Magic Valley Monday.

About two inches of snow fell in the Hailey area over the weekend. In Shoshone Monday a cold wind was reported blowing. Wind was blowing in the Richfield area, but no snow was reported drifting.

In Burley and Gooding a skiff of snow fell Monday with some wind. A light skiff of snow fell in Twin Falls Monday morning.

Wind was reported blowing in other parts of the valley Monday.

Weather, Temperatures

MAGIC VALLEY — Considerable cloudiness with occasional periods of snow flurries. Some blowing and drifting snow on the northside and Camas Prairie. Lows tonight 15-23, high Tuesday 30-40, except Camas Prairie lows zero to -10. Further outlook for Wednesday in partial clearing and little warmer. Temperatures at 2 a.m.: 20 at Jerome, 21 with relative humidity of 81 per cent at Twin Falls weather bureau, 23 with relative humidity of 82 per cent at Twin Falls entomology laboratory, 16 at Rupert, 7 at Fairfield, 18 at Buhl and 21 at Castleford; at noon 28 with relative humidity of 57 per cent at Twin Falls weather bureau.

FIVE-DAY WEATHER FORECAST

Lower pressures aloft from a well developed trough extending over the Western third of the nation is expected to persist through next Saturday. Pacific ocean storms will continue to move inland on a track quite far south for this time of year. Storms will enter California and travel eastward across the desert southwest and southern Intermountain areas.

Temperatures under this pattern will average five to 10 degrees below seasonal normals during the next five days. Colder air brought into Idaho from Canada by these southern tracking storm systems will keep temperatures more wintery than springlike. Cold weather through mid week will give way to some warming during the latter part of the week. However, this warming will not bring average temperatures to anywhere near normal levels. Temperature normals through Saturday are Boise 54-53, Gooding 52-29, Twin Falls 55-30 and Burley 53-28.

Precipitation totals will average 10 to 30 of an inch occurring as snow during the first half of this week changing to rain mixed with snow the latter portion of the week. Extreme southeast Idaho in the Malad and Preston area can expect to be in the heavier precipitation belt during this five-day period. Most of the precipitation in the form of occasional snow will occur during the first half of this week over all agricultural valleys.

Sunshine will total 50 to 60 per cent of possible with a cloudy first half giving way to partly cloudy skies during the latter half of the week. Winds will be stronger than normal with average speeds of 12 to 15 miles per hour. Strong winds during the next three days will cause blowing and drifting of snow over central and southeastern sections. Soil temperatures will continue to lag well below normal seasonal levels with average three- to four-inch depth readings holding in the mid to the upper 30s.

The current weather charts show a well developed storm center over Utah and Colorado with an Arctic cold front extending from this center diagonally northward across southern Wyoming and Idaho and into Washington. As this front sags southward colder air will continue to be brought into southern Idaho bringing temperatures down and causing intermittent snow-showers activity. This weather pattern will affect us for the next two to three days.

Temperatures through Tuesday night will range from minimums of zero to 10 below over the upper Snake and Camas Prairies, five to 10 above extreme southeastern valleys, 15 to 20 above over Magic Valley and 20 to 25 above over the Boise and lower Malheur valleys. Maximums will range from the 20s to low 30s over eastern valleys and Camas Prairie to the mid to upper 30s over southwestern and southwestern valleys.

Skiplines and motorists are advised to exercise precautionary measures as the current weather situation is more detrimental to their operations than to any other groups.

The Lenten Story

BY WOODY ISHMAEL

JESUS IS BURIED

When it was dark, Joseph of Arimathea, a lawyer and a member of the Sanhedrin, boldly went to Pilate and asked for the body of Jesus. Joseph was a just man and a follower of Christ. Pilate granted the request but first sent out a centurion to make certain that Jesus was dead.

Joseph and a man named Nicodemus, who brought a mixture of myrrh and aloes, wrapped the body in linen cloths with the rich spices, after the Jewish burial custom.

Then they took it to a new tomb in the garden where the crucifixion had taken place. The tomb had been hewn out of solid rock and was very formidable, but to prevent desecration of the body by the mob, Joseph ordered a large stone rolled in front of the entrance.

Thus was the Son of Man laid to rest.

Valley Drill Team Gives Annual Show

EDEN-HAZELTON, March 23 — Valley Vikings presented their annual drill team exhibition Friday night at Valley high school for a capacity crowd.

Marching patterns and drills as well as dance selections were performed. The sixth grade drill team also marched.

The Valley Pep band, under the direction of Jim Rogers, played the opening national anthem and a selection by Rogers, "The Vikings." Music for the show was presented to drill team captain Sandra Elsenhauer by Rogers.

Senior drill team girls were presented flowers by Mrs. Ila Murphy, adviser for the Vikings. They are Loretta Barr, Judy Bowlin, Sandy Elsenhauer, Larie Gae Hall, Cheryl Estep and Judy McClain. Two former drill team captains, Mrs. Bob Kincaid and Mrs. Dan Gellers also were honored. Judy Hageman, accompanied by Diane Wegener, sang "Moments to Remember," during the presentation.

A special comedy feature was presented by a group of Vikings called as "The Stink Bugs," who imitated the "Beetles." They are Janet York, Debbie Waters, Hilaria Torres, Judy Cline, Susan Miller, Kathy Crumrine and Margie McClain. Sherri English performed a tap dance. Sandra Elsenhauer, captain, and Sandra Simmons, co-captain and captain for the coming year, performed a routine, "Me and My Shadow."

Appreciation was expressed by Shana Dodson on behalf of the sixth grade girls for the assistance of Pat Harlow, Nona Glines, Pat Atkinson and Janice Goodrich. A gift was presented to each.

J. E. Painter Paid Gooding Honors

GOODING, March 23 — Funeral services for J. E. Painter were conducted at 10 a. m. Saturday at the Thompson chapel by the Rev. Dwight E. Wilcher of the Methodist church.

Larry Hobson sang two songs, accompanied by Mrs. Don Shins. Pallbearers were Ed Harness, LeRoy Packham, Marion Reynolds, Jack Byram, James Kevan and Sten Forstensen.

Honorary pallbearers were K. T. Butler, Hyrum Lee, Henry Bauscher, E. L. Stilson, Orville Nielson, John Vodermaier, William Fyle, Earl Moody, Fred Reynolds and Harry Painter. Concluding rites were held at Elmwood cemetery.

FHA Chapter at Valley Selects Its New Officers

EDEN-HAZELTON, March 23 — Chapter officers have been elected for the Valley FFA chapter.

Gary Hall is president; John Meyer, vice president; Monte Turner, secretary; Kenny Joa, treasurer; John Metzler, reporter, and Dwain Cook, sentinel. Outgoing president is Don Pline.

Gary Hall and Lanny Johnson were selected delegates to the Idaho FFA convention at Idaho Falls March 26, 27 and 28.

The annual parent-son banquet was discussed and it was decided to have a joint FFA-FHA banquet this year.

Greenhands receiving the chapter farmer degree are Scott Beames, Evan Black, Gary Kenison, John Meyer, Mike Weatherwax, Erick Wells, Ron Hite, Dan Thompson and Dino Galindo.

Ross McCloud Is Honored at Rites

GOODING, March 23 — Private funeral services honoring Ross McCloud were conducted at 2 p. m. Saturday at Thompson chapel by Lincoln Lodge No. 59, AP and AM.

Pallbearers were Fred Hendrickson, Wayne Rudelson, Clarence Reynolds, Welliver Miller, Alan McCombs and Ed Harness.

Military graveside services were conducted by Veterans of World War I at Elmwood cemetery.

King Takes Oath

ATHENS, Greece, March 23 (AP) — King Constantine of Greece took his oath as the world's youngest monarch today with a plea for a "new political formula" in Cyprus.

"Greece's policy is peace," the 23-year-old king said in his speech from the throne after his oath-taking in parliament. "But in the event of an attack, it is defense."

"This will be our permanent course in the future," he said.

Filer Girl Chosen to Attend Meet

FILER, March 20 — Loraine Molsee, daughter of Mr. and Mrs. Wayne Molsee, has been chosen to attend the National Convocation for Methodist youth which will be held at Purdue university, LaFayette, Ind., in July.

The convocation is held every four years for young people of high school age and welcomes some 93,000 students to its sessions. The Idaho conference of the Methodist church is allowed to send 12 student delegates and three adult advisers to attend.

This is the third time in its entire history that the Filer Methodist church has had the honor of having a representative at the convocation.

Miss Molsee is a junior at the Filer high school, is an active member of the Methodist church and of the youth fellowship. She is a member of the church choir and assists in the kindergarten department of the church school.

She is also a member of the Girl League at school, Order of the Rainbow for Girls, and belongs to a 4-H club.

The Rev. Allen Reesor, pastor, stated many young people apply but only 12 from the entire conference are chosen.

Oakley Aims Plans to Pay Debt on Pool

OAKLEY, March 23 — Plans for raising money to pay off the swimming pool debt were discussed at a community meeting Friday night at the Playhouse.

David Lake, president of the Chamber of Commerce, conducted the meeting. Speakers were John Clark who outlined the status of Oakley's activities and organizations and spoke of the various problems concerning the swimming pool and Winslow Whiteley, who stressed Oakley accomplishments in the past few years, including the air strip, church house and swimming pool.

Clark introduced Richard Martin who will serve as the swimming pool manager for the coming year. Martin emphasized if the pool has support of the people like the one month it was open last year, it will operate in the black this summer.

Martin also spoke on water safety and presented ideas concerning the operation of the pool. He has 15 years of Red Cross swimming program experience, 10 years with the Boy Scouts swimming program and served on the YMCA along with operating the Burley swimming pool before moving to Oakley.

The group voted to appoint a committee later to serve with him.

A committee was elected to solicit funds to complete the project and it was stressed in the meeting that if every family in the valley would pay \$25 the bill could be paid in a short time.

Committee members are Jay Robinson, Alan Warr, Milford Bergener, Winslow Whiteley, Boyd Poulton, Austin Helms and Roy Steel.

Opening Dates Reported for Grazing Units in South Idaho

BOISE, March 23 — District manager Edward C. Booker, of the Boise district bureau of land management office announces opening dates for various grazing units of the district.

Recent inspections of the range indicates forage growth has been limited to date. The late cold weather has been restrictive to forage development on established plans as well as emergence of

new seedlings. Soil moisture appears good and should produce good plant growth once temperatures become favorable, Booker says.

All announced dates will be dependent on weather conditions prior to then. If conditions continue unfavorable, further voluntary delays in turnout are requested.

The central portion of the Saylor Creek unit typified by a vegetative cover of sagebrush, Junegrass and annual forbs, is scheduled to open March 30.

The Tindall, Pole Creek, Willson and Oreana units are scheduled to open April 3. The Cow Creek, South Mountain, Hagerman, Southside and that portion

Monday, March 23, 1964
Twin Falls Times-News 3

of the Saylor Creek unit on the north and east, which is predominantly chestgrass range, are scheduled to open April 10.

An inspection of the Sunny-side and Canyon Creek units is being made and opening dates will be announced later.

Turnout dates in all other grazing units will be in accordance with licensed use or will be worked out with the stockmen involved as weather conditions permit.

All-Day Circle Meeting Held

DECLO, March 23—The Naomi circle of the Presbyterian church met for an all-day quilting session at the home of Mrs. Neva Dalton, Declo. The quilt was pieced by Mrs. Jones Leonard.

A potluck dinner was held at noon. Mrs. Emily Anderson, Declo, and Mrs. Harry McKimlin, Allerton, Ia., were guests.

The next meeting will be held April 4 at the home of Mrs. Chet Parke.

Cut the firm orange, cherry and lime gelatin into cubes about one-half inch square. Do it this way: Dip sharp knife into hot water and score gelatin, dipping knife after each cut. Run hot knife around edge of tray. Lift out gelatin with wide spatula, hot water dipped. The pieces fall apart easily, each a perfect cube. Fold into whipped cream mixture, then pour into spring-form pan. Chill 8 hours in refrigerator. Before serving, remove sides of pan only. If desired, frost sides of cake with one-half cup cream, whipped and sweetened. Yield: 16 to 20 portions.

(The Times-News will pay \$5 each week for the best recipe submitted for Magic Valley Favorites. If you have a favorite recipe, just mail it to the Recipe Department, Women's Page editor. The recipe becomes the property of the Times-News and cannot be returned.)

Fairfield Youth Claims Top Honors in Idaho State Rifle Tournament

Craig Tucker, Fairfield, top trophy winner of the southern section of the Idaho state gallery rifle championship, fired a 572 Sunday to claim the title of Idaho junior boys champion in the Idaho state junior gallery rifle championship and joined with his younger brother, Rod, sub-junior rifle champion, to take first place in the buddy match with 197 out of a possible 200. Tucker not only won most of the ornamental hardware in the southern section matches but was the only southern shooter to place twice on the statewide list. His brother Rod won the Idaho state sub-junior gallery rifle tournament Saturday by edging out Joe Jackson, Layton, Utah, 1963 title.

Canadiens Clinch NHL Season Title

NEW YORK, March 23 (AP)—The Montreal Canadiens clinched the National Hockey League regular season championship Sunday night with a 2-1 victory over the New York Rangers.

The triumph gave the Canadiens 63 points, assuring them first place in the Chicago Black Hawks' division.

Goalie Jacques Plante, 21st of the season and 37th of his career, broke a 1-1 tie early in the final period. Bellevue had put the Canadiens ahead midway in the first period with his 28th goal, the 338th of his career.

Bob Nevin scored the only Ranger goal midway through the second period. Nevin's goal, his 12th, ended Hodge's scoreless streak of 110 minutes and 41 seconds against the Rangers over three games.

Cassius Clay Dethroning Move Rapped

TACOMA, Wash., March 23 (AP)—The past president of the World Boxing Association said Monday any move to strip Cassius Clay of his heavyweight title "for any reason other than dishonesty is ridiculous."

"After all, the United States of America," said Dr. Charles P. Larson, "and a man is entitled to his personal beliefs, to membership in any group he wants and to belong to any religion."

Dr. Larson, who stepped down as head of the WBA last September after two terms, said he disagreed unalterably with the position taken by his successor, Ed Lassman of Miami, Fla.

"As a member of the WBA executive committee I will vote against Lassman's recommendation the heavyweight title be declared vacant," Larson said. "And I will urge others on the committee to do the same."

Lassman said Sunday Clay's personal actions and membership in the Black Muslims, Negro supremacy group, made him a "detriment to the boxing world."

"This smacks of thought control," Larson said, "and is far more dangerous, in my belief, than Clay's alignment with the Black Muslims."

"I told Lassman that when I talked with him on the telephone Sunday night."

Three Power Senator's Win

ORLANDO, Fla., March 23 (AP)—Strong pitching by veteran Claude Osteen and rookie Jim Hannan and a home run by first baseman Bill Skowron powered the Washington Senators to a 3-1 exhibition baseball victory over the Minnesota Twins Sunday.

Osteen didn't allow a hit in the first five innings and only walks to Harmon Killebrew and Tony Oliva marred his record.

NCAA Names Olympic Trial Team Players

KANSAS CITY, March 23 (AP)—The NCAA completed its 30-man team for the Olympic basketball trials with the selection of Jeff Mullins, Duke, Cazzie Russell, Michigan, and Willie Murrell, Kansas State.

The three were named Saturday night after the completion of the national championship basketball, won by UCLA.

UCLA's Walt Hazzard and Gail Goodrich also had been invited to the special selection committee of the National Association of Basketball Coaches, but will join the Olympic trials squad as members of a six-man group allotted to the NCAA championship team.

The other four members of the UCLA contingent will be named by Bruin Coach John Wooden.

The 30-man squad will assemble at the University of Kentucky Monday to begin a 10-day practice schedule before moving to St. John's, N.Y., university for the Olympic trials April 2-4.

The team will be broken into three squads which will play a series of exhibitions at Evansville, Ind., Cincinnati, Lexington, Ky., and a site to be named later before the trials in New York.

Coaches are Slats Gill, Oregon State, Jack Gardner, Utah, and Duggie Julian, Dartmouth.

The NCAA said that one or two other players may be named to fill the spots left open by Hazzard and Goodrich qualifying as members of the champion team.

Tigers Hold Yanks Scoreless

FORT LAUDERDALE, Fla., March 23 (AP)—Hank Aguirre and Dick Egan combined to pitch a three-hitter as the Detroit Tigers whipped the New York Yankees 6-0 Sunday in an exhibition baseball game.

Aguirre, a 14-game winner last season, allowed all three hits in a six-inning stint. Bobby Richardson singled in the first, Jose Cardenas in the fifth and Pedro Martinez in the sixth.

Only three runners, two on walks, reached base on Egan in the last two innings as the Yankees were shutout for the first time this spring.

Jackson teamed up with Sanborn to place second under the Tucker brothers in the buddy match with 198. The first distinguished trophy went to Ruth Pitts and Ronald Converse with 194, second was taken by Gerald Carney and John Pitts with 192.

Judy Novak and Dennis Cramer teamed up with a 195 to take the first expert trophy and Stephen Dick and Boyd Given also fired a 195 for second. The advance sharpshooter trophy team was Douglas-Denney and Steve Funk with 188 followed by Steve Ball and Al Hurst, Boise, with 184.

John Potter and Harold Stansberry took the sharpshooter honors with 190 and Jay Bladieu and Gale McCall took second with the same score. Larry Bays and Steve Annis shot 177 to take the marksmanship trophy.

There were 59 competitors entered in the tournament held at the Twin Falls Rifle and Pistol club range north of town.

Injured Racer Stays in Poor Condition

ST. PETERSBURG, Fla., March 23 (AP)—Consalvo Sanesi, injured in a flaming collision during the 12-hour Grand Prix of endurance at Sebring, was described in poor condition Sunday in a St. Petersburg hospital.

"I think he will make it," said Dr. Charles L. Farrington, the attending physician, but he added that the driver's injuries were severe.

Were not too concerned about the burns to the head, hands and face," he said. "It's his chest we're worried about."

He said Sanesi had been hit from flames when a Ford-Cobra driven by Bob Johnson crashed into the rear of his smaller Alfa Romeo in the final hour of the race Saturday night.

Cardinals Down White Sox 7-5

SARASOTA, Fla., March 23 (AP)—The St. Louis Cardinals took advantage of four Chicago White Sox errors, including two in the ninth inning, for a 7-5 exhibition baseball victory Sunday.

The Cardinals broke a 5-5 tie with a pair of unearned runs in the ninth. Both were scored when leftfielder Dave Nicholson dropped a fly by Ken Boyer.

Phil Gagliano, who was on third, and Doug Clemens who was on first, scored on the error. Gagliano had reached safely on a fielder's choice, stole second and continued to third when catcher Jerry McNertney's throw went into centerfield for an error.

Rich Hit

VERO BEACH, Fla., March 23 (AP)—Dick Nen's first hit for the Los Angeles Dodgers was worth \$1,000. Whether he gets an opportunity to collect his second hit depends largely on his ability to resist an avalanche of advice.

Nen, who stroked a key homer for the Dodgers as they battled for the National League pennant, hasn't much chance to break into the starting line-up. But he can provide a missing commodity—left-handed pinch hitting strength.

"We're working him in the outfield," said coach Pete Reiser of the 24-year-old first baseman. "That way he can fill in a couple of games for us. He's a good athlete with good power and he's a good listener, but he should stick to being Dick Nen."

Prodred for an elaboration, Reiser would only say: "He's just listening to too many guys, running to one and then another the next day. That's not going to help him."

Pirates Defeat Phillies 7-4

CLEARWATER, Fla., March 23 (AP)—The Pittsburgh Pirates scored three runs in the eighth inning Sunday to defeat the Philadelphia Phillies 7-4 in an exhibition baseball game.

Gene Alley singled to start the rally. Jim Paggiaroni sacrificed and rookie outfielder Rex Johnson doubled to score one run.

Manny Mota hit a sinking liner to right and infielder Don Hoak, playing the outfield charged in. Hoak dove trying to make the catch, but the ball hit in front of him and bounced past him for an inside-the-park homer.

Angels Stop Giants' Streak

PALM SPRINGS, Calif., March 23 (AP)—The San Francisco Giants, who had won eight games in a row, were stopped cold Sunday as Ken MoBride and the Los Angeles Angels blanked the National Leagueers 3-0 in a Cactus League exhibition.

It was the first win for the Angels in four games with the Giants, who had averaged 13 runs in their last four exhibitions.

The Giants still lead the Cactus loop with a 12-2 record, while the Angels are now even at 7-7.

Tart Is NIT All-Tourney First Choice

NEW YORK, March 23 (AP)—Bradley's Levern Tart, most valuable player of the National Invitation tournament, heads the Associated Press' all-tournament team announced Sunday.

Tart, 6-foot, 2-inch senior who scored 54 points in three games for the champion Braves, received 18 first-team votes from 20 sportswriters polled. He had a total of 55 points on the basis of three points for a first-team vote and one for a second.

Ira Harge, New Mexico's 6-foot, 8-inch center, was next with 14 first-team votes and 47 points. Following out the first team are Harold Hairston, NYU, Steve Courtin, St. Joseph's, and Mike Silliman, Army.

Joe Strawder, Bradley's 6-foot, 9-inch senior, topped the second team and was joined by Barry Kramer, NYU, McCoy McLennan, Drake and Dick Ellis, New Mexico, Bradley's Eddie Jackson and Joe Kosciusko, Army, tied for the fifth spot.

The climax of the contest will be the coronation pageant at Jaycees park during the season.

WBA President Asks for Removal of Clay's Title

MIAMI, Fla., March 23 (AP)—Describing Cassius Clay as a "detriment to the boxing world," the president of the World Boxing association asked its executive committee Sunday to remove Clay's world heavyweight title. Ed Lassman, Miami Beach, WBA president, said he had cabled the 20-member committee, asking for their immediate vote on whether the title Clay took from Sonny Liston Feb. 25 should be vacated.

Clay Says It Is Only Way He Can Lose

NEW YORK, March 23 (AP)—Heavyweight champion Cassius Clay, pardon, Muhammad Ali—said Sunday "that's one way you can get me whipped" when asked what he would do if he were introduced in the ring as Cassius Clay, he would not answer the bell.

"I expect the poll will be complete by Friday," Lassman told The Associated Press. "I am certain the title will be vacated." Clay said last week he would be known in the future as Muhammad Ali, and if he were ever introduced in the ring as Cassius Clay, he would not answer the bell.

"Clay has proven himself by his personal action as a detriment to the boxing world and has set a poor example for the youth of the world," Lassman said. "I would say the rankings for April 1 will list only eight men, not 10 in the heavyweight division," Lassman said. "The two missing would be Liston and Clay."

Royals Rout 76's 121-102

For NBA Title

CINCINNATI, March 23 (AP)—Led by Oscar Robertson the Cincinnati Royals turned a closely-fought National Basketball association playoff game into a rout Sunday in the second period and defeated Philadelphia 121-102.

The victory gave Cincinnati a 1-0 lead in the best-of-five series. The 76ers put up a fight until halfway in the second period when Robertson led a 13-point burst. The score was 44-44 with 5:16 left. The next time Philadelphia scored was at 2:16 to make it 57-45.

Fourth Spot in Doubles Changes Hands Twice Over Week-End

Fourth place in the handicap doubles event was taken over Sunday for the second time this week-end in the Idaho State bowling tournament. Lee Krantz and Lemar Staker, Idaho Falls, rolled a 1,311 game to replace Frank Kinney and Paul Ernst, Caldwell, who moved into fourth place Saturday night with a 1,306. Clements Oil moving into fourth place in the teams event Saturday was the only other major change during the sixth week-end of the tournament. Clements Oil rolled a 3,102 team game to move into fourth over Art's "66" Service, Minn-Cassia.

Art's "66" service moved into fourth place during the fourth week-end of the tournament by bowling a 3,086 game. Home Dairies, McCain, was topped the teams list since the second week. They moved out the Arctic Circle team, Twin Falls, the day after Arctic Circle took the lead. McGuffin Fuel, Boise, was the first team to top the list but Home Dairies and Arctic moved it down to third where it stands now.

Kinney and Ernst forced Cliff Moss and Jack Payne, Idaho Falls, to fifth Saturday and Krantz and Staker dropped them to sixth Sunday.

Moss and Payne previously had held second but were edged last week-end by Forrest Zirkle and Mike Harkovich, Nampa, second, and Bob Brown and Terry Shepherd, Idaho Falls, third.

John Johnson and Walt Hood, Mountain Home, have topped the doubles list since the first week with 1,339 pins, and are also the scratch leaders with 1,256.

Bill Hatch, Idaho Falls, is the top singles bowler with the 727 he bowled to ace out Morris Gerard, Lincoln county, as the fourth week-end drew to a close. Gertrude Harris, Lincoln county, rolled a 710 the same day to move into third over Selch Hayashida, Nampa, the singles first leader with 704. Hatch also moved over Hayashida to become the scratch leader with 700.

The all-events handicap and the all-events scratch leaders remained unchanged from last week with 704 and 700, respectively. As far as the handicap is concerned, Bill Hatch topped the scratch list with 1,874.

When I spoke to the principles after the match concerning this \$50,000 contract, they advised it was a legend and was put out for publicity purposes.

"He (Clay) agreed to fight under Liston's promotion before he even fought Liston. This is contrary to our rules."

The subcommittee opens hearings Tuesday into the Liston-Clay contract.

Lassman said the WBA had been asked by the British Boxing Board of Control whether it would support a suspension of Liston in England for failure to fight a match scheduled there before the Clay fight.

"I have cabled them we support any and all suspensions," Lassman said, "regardless of who it may be."

Braves Tounce Dodgers 13-2

WEST PALM BEACH, Fla., March 23 (AP)—Johnny Podres pitched hitless ball for three innings Sunday but then the Milwaukee Braves erupted for eight runs in the fourth and went on to submerge the Los Angeles Dodgers 13-2.

Three-run homers by Ed Bailey and Lee Maye led the bombardment as the Braves gained their seventh victory in nine exhibitions this spring.

Hank Fischer and Dick Kelley teamed up for a five-hitter, Fischer yielding the two Dodger runs on three hits in the fifth. Kelley, rookie left-hander, gave up only one infield single in the last four innings.

Reds Hold A's To Three Hits

TAMPA, Fla., March 23 (AP)—Marty Keough hit his third homer in as many games Sunday while Joey Jay and Johnny Taltouris held the Kansas City Athletics to three hits as the Cincinnati Reds won an exhibition baseball game 5-1.

Colt Shut Out N.Y. Mets 5-0

ST. PETERSBURG, Fla., March 23 (AP)—Rookie outfielder John Paciorek hit a bases-loaded triple in the first inning Sunday to help the Houston Colts to a 5-0 exhibition baseball victory over the New York Mets.

It marked the first time two National league expansion rivals ever met in a non-regular season game. The victory was the sixth in nine starts for the Colts, while the Mets are now 3-5-1.

Tracy Stallard was the victim of Paciorek's hit as the Colts scored four runs in the opening inning. Nellie Fox and John Wynn to set the stage for the hit out of the neck of Jim Hickman, making his first start since turning his ankle in Mexico City 10 days ago.

Casper Takes Doral Open by One Stroke

MIAMI, Fla., March 23 (AP)—Billy Casper fought off the challenge of Jack Nicklaus on the last green Sunday to win the \$50,000 Doral open golf tournament for the second time in three years by a one stroke margin. The pressure-packed finish came right down to the final putt before Nicklaus' hopes died when he missed a birdie.

Trailing by two strokes going into the 437 yard par 18th hole, Nicklaus dropped his second shot 20 feet from the cup, while the chubby Casper was hitting into a sand trap at the edge of the green.

Casper blasted out to 18 feet and with a bogey starting Casper in the face, Nicklaus stepped up to try for the birdie that would have forced a play-off for the \$7,500 winner's prize.

So much depended on the shot that Nicklaus called for an official ruling on who lay furthest from the cup. He wanted to go first because if he made it he would put Casper under nerve wracking pressure.

Nicklaus won the ruling and, taking a very long time to line up the putt, missed the cup by inches and rolled three feet past. Casper then flubbed his putt and took his bogey.

Casper, former U.S. Open champion winning his first important money of the year, was two under par with a 70, while Nicklaus was shooting a 69.

Actually, the turning point came on the eighth hole of the final round. Nicklaus, who had pulled up even with Casper with a birdie on the sixth, fell two strokes back on the eighth when he hit a wood shot over the green and the gallery into a water trap. The look a bogey while Casper was posting a birdie.

"I waited all day for Casper to make a bad shot," said Nicklaus, 24-year-old money winning leader of 1964. "But it didn't come until the 18th, and then it was too late."

Casper said that after he hit into the sand at the 18th, "I played it safe for a bogey with the two-stroke lead. If Jack had made that 20-footer, we'd have had a real go at it tomorrow."

Robertson Is Named NBA's Best Player

NEW YORK, March 23 (AP)—Oscar Robertson, the Cincinnati Royals talented backcourt man, was voted the President's trophy, the National Basketball association's most valuable player award, Sunday by the biggest margin on record.

The voting is by NBA players, with the restriction that they cannot vote for members of their own teams. Robertson received 80 of a possible 85 first place votes. In the point scoring on a 5-3-1 basis, Robertson received a record total of 302 points.

Wilt Chamberlain, San Francisco, who won the trophy as a rookie in 1960, placed second in the voting with 19 firsts and 215 points. Bill Russell, Boston, winner for the past three years, came in third with 11 firsts and 187 points.

Foyt Grabs Early Lead to Win U.S. Auto Club Championship

PHOENIX, Ariz., March 23 (AP)—A. J. Foyt, Houston, Tex., took the lead on the first turn and kept it all the way Sunday in winning the first U.S. Auto-club championship race of the season on the new Phoenix International raceway.

No drivers were hurt in three crashes during the 100-mile race. The defending USAC champion set a record of 107.42 miles per hour for a 100-mile race on a one-mile closed course. The old mark was 104.799 mph by Don Branson, Champaign, Ill., on the circular dirt track at Langhorne, Pa., in 1963.

The mile record for a closed course was broken repeatedly in qualifications with a best mark of 114.82 mph by Parnelli Jones, Torrance, Calif., last year's winner of the Indianapolis 500.

The new Phoenix D-shaped track is asphalt. The old USA mile record was 113.066 mph for any surface set by Branson at Langhorne in 1960. It was 109.356 mph for asphalt, set at Trenton, N. J., by world racing champion Jim Clark in a rear-

engined Lotus-Ford last September. The expected battle between conventional front-engine cars and new rear-engine vehicles failed to develop.

Only one of the new rear-engine Offenhausers being built to fight the Lotus-Ford was wheeled out for the trial. Len Sutton, Portland, Ore., qualified it but went out with mechanical troubles on the third lap.

YOUR BIRTHDAY and HOROSCOPE

MONDAY, MARCH 23 — Born today, you are not one to leap before looking. Before you take on a project, adopt an idea, or set a course of action, you have to know the ins-and-outs, the whys-and-wherefores, and every if-and-or-but that may be involved. It may take you a little longer than some to get started, but once you do undertake something you will seldom deviate, but will proceed instead direct to your goal, well prepared for whatever obstacles there may be along the way.

You have distinct executive ability, knowing well how to work for others and how to get others to work for you. This latter is especially important when it comes to the detail work; you can assign it to others who will take it on gladly, leaving you to proceed with the planning, and the larger issues. Only take care that you don't grow too far away from the narrower issues. In the long run, they are the things that count.

Your home-life should be a contented one. You will probably want a large family of your own — a family that will be the source of your greatest pleasure. Yet you will never be thoroughly domesticated. A certain amount of excitement is necessary to your happiness. Remember that when you choose your marriage-partner, someone who is all "homebody" would present a problem.

Among those born on this date are: Werner von Braun, rocket designer; Erich Fromm, psychoanalyst, social philosopher; Joan Crawford, actress, business woman.

To find what is in store for you tomorrow, select your birth-day and read the corresponding paragraph. Let your birthday star be your daily guide.

Tuesday, March 24
ARIES (March 21-April 20) — A good day for Aries—business interests, but avoid making plans on the assumption that your income will increase.
TAURUS (April 21-May 21) — Actions speak louder than either words or money right now. Set the good example, and all else should fall into place.
GEMINI (May 22-June 21) — Property matters may pose a minor problem at this time. Make your decisions after turning to disinterested parties.
CANCER (June 22-July 23) — A day in which to allow your friendly nature full sway. Help others; accept help. Let your heart lead your head to happiness.
LEO (July 24-Aug. 23) — Circumstances beyond your control may require that you set aside business or career interests for the time being. Be patient!
VIRGO (Aug. 24-Sept. 23) — Seek and ye shall find! And don't forget to look in all the obvious places. Keep your finding to yourself for the moment.
LIBRA (Sept. 24-Oct. 23) — Keep a strictly business attitude in all your dealings today. Don't allow yourself to be talked into making a poor move.
SCORPIO (Oct. 24-Nov. 23) — An especially good day for the

Scorpio who has a healthy supply of reserve energy at hand. A full, active, rewarding day.
SAGITTARIUS (Nov. 23-Dec. 22) — Opportunities lurk around almost every bend today for Sagittarius. Avoid making a hasty decision.
CAPRICORN (Dec. 23-Jan. 20) — Whatever decisions you make before noon, think over once again before nightfall. You'll have time to change your mind!
AQUARIUS (Jan. 21-Feb. 19) — Chances are good that a new proposition is all you've been looking for. Talk things over with the family.
PISCES (Feb. 20-March 20) — A day of improvement for all projects already under way. Avoid beginning anything new, however.

Woman Flier Has Plane Troubles
 PARAMARIBO, Dutch Guiana, March 23 (AP)—Mrs. Joan Merriam Smith awaited repairs on her light plane today to proceed to Brazil on her solo around-the-world trip.
 Mrs. Smith landed here yesterday after a seven-hour, 40-minute flight from Puerto Rico during which "everything went wrong." She said her bimotor Apache developed engine, radio and automatic pilot trouble when she was still three hours out.
 The next stop for the blonde housewife from Long Beach, Calif., is Natal, Brazil.

MUSCULAR ACHES - PAINS
 Take PRUVO tablets when you want temporary relief from minor aches and pains and body stiffness often associated with Arthritis, Rheumatism, Bursitis, Lumbago, Backache and Painful Muscular aches. Lose these discomforts or your money back.
